

[Question: How can I access my paycheck sooner?]

Sometimes a little flexibility makes all the difference. Whether it's paying a bill, covering an unexpected expense, or just a great opportunity

[Answer: Early pay. Access your money up to 2 days early.]

With early pay, as soon as we receive your qualified direct deposit information, we make the money available to you up to two days faster.

[A green arrow points from a red circled calendar day to dollar signs on the date two days earlier.]

You don't have to enroll to get early pay. Manage your cash flow and stress less, knowing you won't have to wait for your money. Early pay is the answer, and it's part of every commerce, bank checking and savings account and prepaid card.
